Completing Their EB-5 Investment Cycle**

**Washington, DC** – EB5 Capital announced today it has fully repaid eligible investors in its 7th and 8th projects, successfully completing their EB-5 investment process. The full investment amount has been returned to investors as they have completed their conditional residency period and applied for permanent resident status in the United States.

"The return of the full investment amount represents a strong and informed EB-5 investment decision on the part of our clients. We're honored they would choose to make such an important investment with us," said Angelique Brunner, EB5 Capital's President.

"When it came to redeployment, I had complete trust and reliance on EB5 Capital," said repaid EB5 Capital Investor, Suhail Chander. "I left it in the company's hands and it was handled very well."

"I'm happy to see my investment returned and a major hurdle in my EB-5 immigration process cleared," said Andrey Belitskiy, another repaid EB5 Capital Investor. "EB5 Capital is very knowledgeable and professional. I couldn't be happier about having chosen them as my regional center of choice."
