**EB5 Capital's Temecula Hilton Home2 Suites Project Receives
I-526 Approvals for Investors**

Washington, DC – EB5 Capital announced today that multiple I-526 approvals have been received by investors in its Temecula Hilton Home2 Suites project in Temecula, CA. Along with the previously approved I-924 exemplar petition, the I-526 approvals represent the completion of the first stage of the EB-5 immigration process for investors. These first approvals came in only 18 months – the United States Citizenship and Immigration Services' (USCIS) current average I-526 approval time is between 20 and 25 months.

“We’re very pleased to see I-526 approvals coming in at an accelerated pace,” said Brian Ostar, EB5 Capital’s Senior Vice President of Global Operations. “Time is a precious commodity for our clients and we’re always happy when it can be used effectively and efficiently.”

The Temecula Hilton Home2 Suites project is an \$8.5 million preferred equity investment in Huntington Hotel Group’s construction of a 120-key Home2 Suites by Hilton hotel located in Temecula, CA. The project is currently under construction and is expected to create more than 200 EB-5 qualifying jobs.

“An I-526 approval is an important milestone for our investors,” said Juline Kaleyias, Director of Investor Relations. “We look forward to receiving I-526 approvals for the rest of our Temecula project investors.”
